Mobile Tracking

Track your mobile for added safety

Intruder Photo Capture

Capture unknown person's photo as evidence

Siren & Distraction

Sound a loud siren to create a distraction

Volume Button SOS

Send emergency message using volume button

8 Powerful Features. One Mission – Your Safety.

1

Send your location to 4 guardian

Share your live location instantly with up to 4 guardians so they can reach you faster in an emergency.

Instant sharing, Your safety, our priority, Live location shared.

2

Dial 112 and send an SMS

Dial 112 instantly and send an emergency SMS to your close relatives with your location.

Instant call to 112, Emergency SMS sent, Quick help, better safety.

3

List of Police Station in Maharashtra

Find nearby police stations with addresses and phone numbers. Contact local police quickly whenever you need.

Contact local police quickly when you need help.

4

Stay Connected with BLE Safety Tag

Attach your BLE tag to your essentials and stay connected wherever you go.

Stay Connected, Instant Alert, Always Protected.

5

Track your mobile

Track your mobile for up to 1 hour. Your close relatives can track your mobile easily, making it easier to locate your position.

Track your mobile for up to 1 hour, Your safety, our priority.

6

Capture a photo of the unknown person

Alerto SOS automatically captures a photo of an unknown person who attempts to unlock your phone, which can later be used as evidence.

Automatic photo capture, Helpful as evidence, Your safety, our priority.

7

Sound the siren and cause a distraction

Alerto SOS provides a feature to sound a siren, creating a loud noise to cause a distraction and give you a chance to escape from danger.

Loud siren sound, Instant attention in emergency, Create a chance to escape.

8

Send an emergency message with the volume button

You can trigger an emergency message by simply pressing the up or down volume button, allowing you to discreetly ask for help without needing to unlock your phone or open the app.

Discreet & Quick, Instant message to your guardians, Without unlocking or opening the app.

Student ID Card QR Generation

Generate Professional & Secure Student ID Cards with QR Code

The Student ID Card QR Generation process follows the same workflow as Bag QR Generation. Select "I Card" as the QR Code purpose, choose the class and students, customize the ID Card template, and generate a print-ready PDF.

- **I Card QR Generation**
Generate secure QR-enabled Student ID Cards.
- **Class-wise Student Selection**
Generate ID Cards for an entire class or selected students.
- **Template Selection**
Choose from multiple professional ID Card templates.
- **Custom Student Information**
Include Photo, Name, Class, Address, DOB, Blood Group, Phone Number and QR Code.
- **Automatic PDF Generation**
Generate high-quality printable ID Cards instantly.
- **Ready for Printing**
Download the PDF and print Student ID Cards directly.

-  **Secure QR Enabled ID Card**
-  **Unique QR for each student**
-  **Easy to Verify & Authenticate**
-  **Print Ready PDF Output**

Thank You.
